10. Congress found, among other things, that:

(i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;

(ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;

(iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;

(iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and

(v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and nonproductivity.

42 U.S.C. §12101(a)(1) - (3), (5) and (9).

11. Congress explicitly stated that the purpose of the ADA was to:

(i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;

(ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

(iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. §12101(b)(1)(2) and (4).

12. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement the requirements imposed by the ADA. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if defendant has 10 or fewer employees and gross receipts of \$500,000 or less. 42 U.S.C. § 12181; 28 C.F.R. §36.508(a)

13. The Facility is a public accommodation and service establishment. The Property is a public accommodation and service establishment.

14. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of Attorney General, promulgated federal regulations to implement the requirements of the ADA. 29 C.F.R. Part 36. Public accommodations were required to conform to these regulations by January 26, 1992 (or January 26, 1993 if defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. §1281, et seq., and 28 C.F.R. §36.508(a).

15. The Facility must be, but is not, in compliance with the ADA and ADAAG. The Property must be, but is not, in compliance with the ADA and ADAAG.

16. Plaintiff has attempted to access the Facility and the Property in his capacity as a customer of the Facility and Property, but could not fully do so because of his disabilities due to the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

17. Plaintiff intends to visit the Facility and Property again in the very near future as a customer in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit his access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

18. Defendants have discriminated against Plaintiff and others with disabilities, by denying access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility and Property, as prohibited by, and by failing to remove architectural barriers as required by 42 U.S.C. §12182(b)(2)(A)(iv), and will continue to discriminate against Plaintiff and others with disabilities unless and until Defendants are compelled to remove all physical barriers that exist at the Facility and Property, including those specifically set forth herein, and make the Facility and Property accessible to and usable by persons with disabilities, including Plaintiff.
